

Community Engagement and Student Inclusion in South Windsor

Gilbane Cares About Students

Grade 4 Class Visits Orchard Hill Elementary

Visited Mrs. McEleney's fourth grade class twice – once in her classroom and once behind the existing school just outside of our construction fence – to teach students about how a building is built (i.e. types of companies involved and what each party is responsible for), show them construction drawings and answer any questions they had.

2016-2017 TEMS Mentoring Program

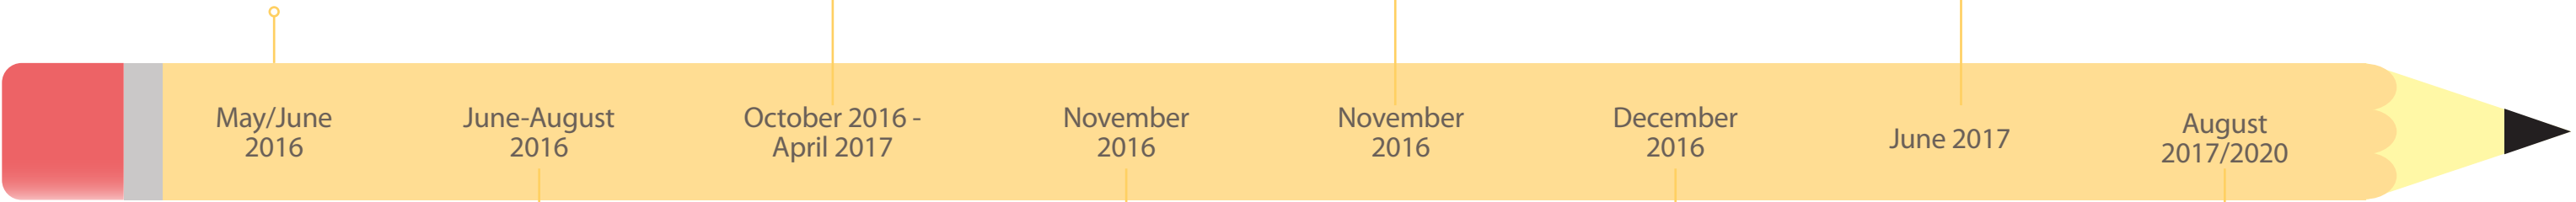

Engaged Timothy Edwards Middle School (TEMS) students in a mentoring program held in the Gilbane jobsite trailer. The program consisted of six monthly sessions. Sessions were structured the same as the summer mentoring program sessions.

TEMS STEAM Olympics

Volunteered at the first annual STEAM Olympics at Timothy Edwards Middle School (TEMS) on Saturday, November 12th, 2016, where we led a tower building competition, and donated stress-relief hard hats to all student participants!

Community Service Project

Built a new recess equipment storage shed for Pleasant Valley Elementary School on Saturday, June 17th, 2017 made possible by generous donations from Gilbane's subcontractors.

Summer 2016 TEMS Mentoring Program

Engaged Timothy Edwards Middle School (TEMS) students in a summer mentoring program held in the Gilbane jobsite trailer. The program consisted of five bi-weekly meetings. Each meeting was structured such that students learned about the topic session in the trailer for the first half of the meeting and then toured the jobsite for the second half.

ACE Mentor Program Site Tour

Led a site tour of the Orchard Hill School project to students in the Greater Hartford chapters of the ACE Mentor Program on Saturday, November 5th, 2016.

Cub Scout Pack 886 Webelos Den Site Tour

Led a site tour of the Orchard Hill School project to South Windsor cub scouts in the Pack 886 Webelos Den on December 6th, 2017.

Milestone Ceremonies

Gilbane attended the groundbreaking and ribbon cutting ceremonies organized by the town for Orchard Hill, Eli Terry, Philip R Smith Elementary Schools to celebrate this milestone achievement in South Windsor's Elementary Facilities Master Plan.

Serving The South Windsor Community...Gilbane Is There Every Step Of The Way!

Project Engineer Taylor Gladding with Mrs. McEleney's class at Orchard Hill

Students tour Orchard Hill under construction during an ACE Mentor site tour led by Gilbane

Gilbane Young Professionals built a new recess storage shed for Pleasant Valley Elementary School

Orchard Hill Grade 4 class visits concluded with a fun-filled field afternoon of hands-on learning!

Gilbane joined the South Windsor community to celebrate the ribbon-cutting ceremony for the new Orchard Hill Elementary School
